Hello Matt,

Thank you for reaching out.

It is our longstanding practice to not discuss our public NEPA comments as they are written primarily for the lead agency, in this case the Bureau of Land Management. We defer all external communications about the Ambler Road EIS to the BLM, given that they are responsible for the EIS.

Hi Erik

I was reading through the EPA comment letter on the BLM website and had a few follow up questions. Do you have a few minutes to chat via phone?

Matt
